Master Services Agreement

This Master Services Agreement is entered into as of January 1, 2026, by and between Nexus Technologies LLC ("Client") and Apex Systems Inc. ("Provider").

1. Engagement and Scope of Work

Provider shall render specialized systems engineering, reliability architecture, and platform automation services described herein.

- Cloud infrastructure architecture audit and remediation roadmap
- Automated continuous integration and deployment pipeline setup
- High-availability database clustering and replication configuration
- 24/7 incident response monitoring and escalation procedures

2. Fees and Payment Terms

Client shall pay Provider a fixed monthly retainer of $24,500.00 USD, payable net 30 days from date of monthly invoice.

3. Term and Termination

This Agreement commences on January 1, 2026, and continues for an initial period of twelve (12) months unless terminated with thirty (30) days prior written notice.

4. Confidentiality and Proprietary Rights

Each party agrees to maintain in strict confidence all proprietary data, architectural designs, and trade secrets disclosed during this engagement.

5. Signatures and Execution

Party	Authorized Representative	Title	Date
